

On November 11th we recognize and celebrate Veteran's Day. We appreciate the service and commitment given to our country by our veterans. O'Neill Healthcare is honored to be selected to possess a VA Contract at O'Neill Healthcare Lakewood and Bay Village. Also, the Aid and Attendance benefit is a special pension for qualified veterans/surviving spouses. These funds can be used towards the costs associated with assisted living or long term care. For more information, please see the facility admissions/marketing coordinator.

Employee of the Month - Ava Frank, STNA

Ava Frank is our November Employee of the Month. She was nominated by her co-workers because, "she is always helpful." Ava is willing to give a helping hand whenever there are special events in the building. She has worked for O'Neill Fairview Park for about a year and a half. Ava lives in Fairview Park, only 1 street away from the building, and was home schooled growing up. She loves music and, in her free time, plays in a symphony orchestra and in her church. She plans on attending Tri-C to start her college career soon. Ava's words of wisdom for her co-workers are, "Don't sweat the small stuff!" Thank you for your dedication and helpful attitude, Ava!

You are invited to join us for one of our grief workshops

**Friday, November 10 | 2:30 pm
Honoring our Veterans**

O'Neill Healthcare Hospice is hosting a special pinning ceremony for our veterans that will be followed with refreshments and live music from "The Bell-Aires"

Resident of the Month Norman Krupp - November

This month we have nominated Norman Krupp to be our Resident of the Month. Norman is definably an "All-American Hero!" He was born in the "old St. John Hospital" in 1921. He grew up in Lakewood and graduated from Lakewood High School. After graduation, Norman joined the United States Air Force because, "there was a war on." After WWII, he returned home, was married, and raised three children. Norman was an avid tennis player. He married his second wife, Jean, in 1976. They enjoyed traveling together. He also enjoyed the past time of making miniature doll houses for his children and grandchildren, completing 4 of them in total. Norman enjoys reading mysteries, playing bingo, but mostly he loves "watching the Indians win!"

We're proud to have you

NOVEMBER
HOSPICE & PALLIATIVE CARE MONTH

A SPECIAL NOTE FROM

**O'Neill
Healthcare**
HOSPICE

This month is National Hospice and Palliative Care Month! Hospice is a program that brings increased quality of life and comfort care to people who are closer to the end of their life. Hospice focuses on the goal of the patient and family. Hospice not only has a team of people that visit to provide care, but also helps with equipment and medication costs! Please go to your social worker or call (440) 328-8141 to talk to hospice directly for more information.

Administrator's Corner

Although I have enjoyed this warm weather lasting into the end of October, it is now officially starting to feel like fall! It was so nice to see all of the kids dressed up for trick-or-treating. Thank you all who attended and for all who donated candy. It was a fun time for all! This year is flying by! **SAVE THE DATE**, we are planning to have our Family Holiday Dinner on Thursday, December 14th this year. Invitations will be sent out, I hope to see all of you there!

Administrator

Cold and flu season is upon us. A friendly reminder that if you are not feeling well please refrain from visiting so we can try to prevent the spread of illness. Feel free to call to check up on your loved one. Hand sanitizer is also available at each entrance and at the nurse's station. Frequent hand washing is one of the best preventative measures for cold and flu. Let's work together to keep everyone healthy!
