## Letter from our Administrator

Dear residents, coworkers, families and friends,

I'm excited to announce that my husband and I found out the gender of our baby and we will be having a little boy in January! Thanks to everyone who came to the gender reveal party. I hope you all enjoyed it as much as I did!

This year we have planned a Fall Festival on Thursday, September 21st from 5:30-7:30pm. The whole family is invited to welcome in the fall season here at O'Neill Healthcare Fairview Park. Enjoy games, a petting zoo, square dancing, farmer's market, roasted corn, apple cider and more. Local favorites such as JJ's Pizza and Weber's Ice Cream will be there selling their specialties. Hope to see you and the whole family there!

## HOSPICE

We celebrate Labor Day this month and say "Good Job" to all of the people who work hard every day to make our country great. A benefit of working so hard is that through Medicare and other insurances hospice care is covered 100%. That means an additional nurse, social worker, STNA, and chaplain can visit to provide additional support with no cost to your loved one if they meet criteria. A wonderful benefit for people who have worked so hard over the years. Call (440) 328-8141 for more information.

## The Day Elvis Presley Came to Cleveland : September 12, 1957

Aline Landrum was at work the morning that a black Cadillac rolled up to the Little Shamrock Cafe. She had the honor of serving Elvis eggs, bacon, cheese, coffee, pancakes, chocolate cake, and a Pepsi-Cola. She even has the photos to prove it!

## Resident of the Month

September 2017

### Joe & Concetta Casaregola

This month we have a couple, Joe and Concetta Casaregola as our "Residents of the Month." Joe and Concetta were married in 1948. Next year they will celebrate their 70th wedding anniversary. Concetta was an elementary school teacher and she retired from Our Lady of Mount Carmel. Joe served in the Army and, after his service, went to Baldwin Wallace to get his BAS. He worked as a chemical engineer for Sherwin-Williams. Joe loves gardening, and when they lived on West 103 their house won awards for his gardens. They have two sons, Louis and Vince; four grand kids, and two great grand kids. Thank you Concetta and Joe!

## Most Valuable Employee

September 2017

### Carrie Talley *Housekeeping*

This month's honor of "Employee of the Month" goes to Carrie Talley in Housekeeping. Carrie is a pleasure to work with and always has a great attitude. She was nominated by a resident and their family member. Carrie was born and raised in Alabama; moving to Ohio in 1986 when her husband Marshall had a job transfer. They have 5 adult children. In her free time, Carrie likes to go to church, Cleveland Baptist, and travel. She and her friends do day trips for shopping and fun. Carrie was excited to hear she was Employee of the Month and said "I like working here. I like the residents and my coworkers." Her words of advice are, "Keep a smile on your face and in your heart." Thank you Carrie for all you do!
