

Did you know that National Blood Donor month has been observed every January since 1970? The American Red Cross recognizes the life saving contributions that blood and platelet donors make. During the winter months, donating can become difficult with inclement weather and illness. Blood can be safely donated every 56 days and platelets can be given every 7 days up to 24 times a year. To see where you can donate, contact the Red Cross at 1-800-RED-CROSS or redcrossblod.org. Many locations throughout O’Neill Healthcare also serve as donation sites. You can inquire at the location convenient to you.

Employee of the Month - *Teyvis Russell, Dietary Aid*

January’s Employee of the Month is Teyvis Russell, Dietary Aid. “Tey” was nominated by a resident who stated, “When I call the kitchen, he always comes with my request, knocks before coming in, and says hello, how can I help you.” Tey has worked at O’Neill Healthcare Fairview Park for 3 years. He joined our team shortly after the building was opened. Tey is a graduate of John Marshall High School. He said he “loves life” and his advise to other staff is to “keep enjoying life!” Thank you for being a part of our team, Tey!

Physician Spotlight *Mark Frankel, MD*

O’Neill Healthcare would like to take this opportunity to highlight Mark Frankel, M.D. We are fortunate to have him as a member of O’Neill Healthcare’s physician team. As a board certified psychiatrist, accredited by the American Board of Psychiatry and Neurology, his primary focus is to help manage the psycho-social well-being of the residents in our facilities. In his years of experience, Dr. Frankel has become well known in Cleveland and it’s surrounding communities as a provider of excellent care to those he serves. Dr. Frankel will visit the facilities, where he will conduct psychiatric and behavioral health rounds, review residents’ medication regimes and make recommendations for safe medication use while continuing treatments as necessary to meet the residents’ needs. Services can be provided with a referral from an attending physician. Thank you for being a valuable asset to O’Neill Healthcare!

Upcoming EVENTS

Resident of the Month *Ann Sabol - January*

Ann Sabol has been chosen to be the Resident of Month for January. Before Ann came to O’Neill Healthcare Fairview Park, she lived at our Lakewood facility because she had been a Lakewood resident most of her life. She was born in Maine, but graduated from Lakewood High School. Ann married her husband in 1941 and had 3 children, Rich, Elaine and Paul. Now she has several grand kids and great-grand kids. Ann enjoyed preparing ethnic food, especially around the holidays; baking cookies (kolacky) and pierogis. Today she enjoys playing bingo, attending Catholic services and reading gossip magazines. Ann, it is a pleasure to know you!

We're proud to have you ON OUR TEAM HAPPY ANNIVERSARY

A SPECIAL NOTE FROM
O’Neill Healthcare
HOSPICE

A new year can bring hope for the future. It is also a good time to review your life plan with your family. Talk about your wishes. Make sure that if something has changed, your family and friends are aware of it. If you do not have advance directives in place, such as Power of Attorney or Living Will, reach out to your social worker and ask for information.

Administrator's Corner

December was a busy month with many fun activities. Our Family Holiday Party was a great success and it was so wonderful to have so many families there. A big thank you to the staff and family members for putting on a great party!

This year, we are looking forward to the opening of Davita Dialysis, which is set to open early 2018 – the official date is still to be determined. I will be going on maternity leave at some point this month or early February as my due date is January 31st. I will be sure to send pictures of my “little man” when he is born so everyone can see him. David T. O’Neill, LNHA will be filling in as the Administrator during my leave, so if you need anything, please do not hesitate to reach out to him.

And finally, THANK YOU for your support this past year. I have had the privilege of meeting all of you and look forward to many years together providing exceptional care and service. Happy New Year – lets make 2018 the best year yet!

Julia Liechty, LNHA
Administrator

Good Times & Great Memories at O'Neill Healthcare

Residents, staff, and families enjoyed the holiday season thoroughly. Santa came to visit everyone, kindergarteners from RG Jones put on a Christmas program for us, and Gilles Sweet Elementary came to sing 3 times!
