LAKEWOOD

September 2017

Letter from our Administrator

Dear Residents, Families, Friends, & Staff,

A big "Thank You" to everyone who attended, donated, and volunteered at our 10th Annual Community Dog Show on September 13th. It was a beautiful sunny day and we had over 15 dogs in the audience. Because of all of your support, we were able to give the Lakewood Animal Shelter our biggest donation to date! I hope our residents, visitors, and staff enjoyed themselves. Thank you to Tammy Sibert, Director of Assisted and Independent Living, for working so hard to plan and organize this wonderful event.

Please pardon our dust and noise as we have begun construction for the bridge that will connect our skilled nursing facility (SNF) with the assisted living facility (ALF.) The enclosed bridge will connect the 2nd floor of the SNF to the 3rd floor of the ALF. This will be so convenient for our staff, residents, and visitors who travel between the two buildings frequently, especially in the colder months. We are so excited to start utilizing the new bridge.

Have a wonderful Labor Day and enjoy the last official days of Summer 2017!

Sincerely,
Kim Murphy, LNHA
Administrator

A SPECIAL NOTE FROM

HOSPICE

We celebrate Labor Day this month and say "Good Job" to all of the people who work hard every day to make our country great. A benefit of working so hard is that through Medicare and other insurances hospice care is covered 100%. That means an additional nurse, social worker, STNA, and chaplain can visit to provide additional support with no cost to your loved one if they meet criteria. A wonderful benefit for people who have worked so hard over the years. Call (440) 328-8141 for more information.
