

On November 11th we recognize and celebrate Veteran's Day. We appreciate the service and commitment given to our country by our veterans. O'Neill Healthcare is honored to be selected to possess a VA Contract at O'Neill Healthcare Lakewood and Bay Village. Also, the Aid and Attendance benefit is a special pension for qualified veterans/surviving spouses. These funds can be used towards the costs associated with assisted living or long term care. For more information, please see the facility admissions/marketing coordinator.

Employee of the Month - Catherine Murray, CMA

Congratulations to our Employee of the Month, Catherine Murray. Catherine is a Certified Medication Aide (CMA) and has worked at O'Neill Healthcare Lakewood for over three years. Catherine strives every day to go above and beyond and to provide excellent customer service for residents, families, and staff. Not only is she committed to making a difference in others lives' during work hours, she also devotes her spare time to volunteering and fundraising for those in need. Catherine and her husband raised over \$5,000 this year for the Alzheimer's Association's "Walk to End Alzheimer's." Thank you, Catherine, for your dedication to our facility and surrounding community.

Resident of the Month Emily Carroll - November

Emily Carroll was born June 20, 1943 to parents Marguerite and Earl Dreamer. Emily found love and married her husband, John, when she was just 16! They are about to celebrate their 60th wedding anniversary on the 14th of this month! She is a mother to 4 children and says that raising her family was the best thing that could have happened to her. After her kids were grown, she started a 17-year career as a manager at Phoenix Dye Works, a company that dyed yarn for crafting purposes. Emily always had a passion for crafting and sewing, and states that, even though she worked for a crafting company all day, she never got bored of making her own creations. Emily has been a resident here since 2012. She states that the most important things to her are her family, her faith, and bingo. She loves participating in activities daily and being able to socialize with all the other residents. We appreciate that Emily is always a sweet and smiling face every day, to everyone!

We're proud to have you ON OUR TEAM HAPPY ANNIVERSARY

NOVEMBER
HOSPICE & PALLIATIVE CARE MONTH

A SPECIAL NOTE FROM
O'Neill Healthcare
HOSPICE

This month is National Hospice and Palliative Care Month! Hospice is a program that brings increased quality of life and comfort care to people who are closer to the end of their life. Hospice focuses on the goal of the patient and family. Hospice not only has a team of people that visit to provide care, but also helps with equipment and medication costs! Please go to your social worker or call (440) 328-8141 to talk to hospice directly for more information.

Administrator's Corner

Dear Residents, Families, Friends, and Staff,

It's hard to believe we are already entering the holiday season. Please keep an eye out for your invitation to the annual "Holiday Gala." We are planning a wonderful evening for our residents and their loved ones. Please be sure to RSVP by the deadline as seating will be limited. We are looking forward to having an enjoyable evening with you all!

Kim Murphy, LNHA
Administrator

November is a perfect time to remember and honor everything that we are grateful for. Despite one's personal hardships, and all of the recent nationwide catastrophes, we still have much to be thankful for. I challenge you all to take the time to reflect on your blessings during this holiday season.

I am grateful for our residents, staff, family members, volunteers, friends, and everyone else that helps make our campus feel like a family. I am also grateful for the special connection O'Neill Healthcare Lakewood has with our Veterans. Happy Veterans Day to all of the Veterans who reside, work, or visit here. Thank you all for your service and sacrifice to our country.

I wish you all a very Happy Thanksgiving.
