

On November 11th we recognize and celebrate Veteran's Day. We appreciate the service and commitment given to our country by our veterans. O'Neill Healthcare is honored to be selected to possess a VA Contract at O'Neill Healthcare Lakewood and Bay Village. Also, the Aid and Attendance benefit is a special pension for qualified veterans/surviving spouses. These funds can be used towards the costs associated with assisted living or long term care. For more information, please see the facility admissions/marketing coordinator.

**Employee of the Month - Nicholas Arendash, Dietary/Maintenance**

Our employee of the month for November is Nicholas Arendash. Nicholas has worked at O'Neill Healthcare North Olmsted for over a year. He got his start in the dietary department and recently started working as part of our Maintenance team as well. Nicholas has had perfect attendance. He enjoys what he does and strives to do the best that he can for the residents whether it is connecting a lap top to WiFi or serving a dinner to them. Nicholas truly cares about the residents and enjoys helping them. Congratulations Nicholas! We are happy to have you as part of the O'Neill team!

You are invited to join us for one of our grief workshops

**Resident of the Month  
Angela Gozner - November**

If you like crossword puzzles, then you already have something in common with our November Resident of the Month. Angela can often be seen working on her puzzles around the facility. She was born and raised in Cleveland and has fond memories of making homemade wine with her Italian family. She graduated from John Hayes High School and worked at the Higbees Store doing sales. During WWII, she did clerical work for the Navy Department. After the war, Angela was reconnected with Arnold Gozner, an elementary school classmate whom she hadn't seen in years. They were married in 1947 on her birthday! Angela's brother, a father figure to her, walked her down the aisle since they lost their father when she was only 10 months old. Angela and Arnold had 3 children – 1 boy and 2 girls. She stayed busy being a housemaker and raising the children while her husband worked as a traveling salesman. Angela took pleasure in sewing, knitting and crocheting at that time too. She and her daughters enjoyed a cruise to the Bahamas and, while living in Fairview Park, she enjoyed taking painting classes at the senior center. Now, Angela likes participating in a variety of activities including jewelry making, games and, of course, group crossword.

*We're proud to have you*

A SPECIAL NOTE FROM  
**O'Neill Healthcare**  
**HOSPICE**

This month is National Hospice and Palliative Care Month! Hospice is a program that brings increased quality of life and comfort care to people who are closer to the end of their life. Hospice focuses on the goal of the patient and family. Hospice not only has a team of people that visit to provide care, but also helps with equipment and medication costs! Please go to your social worker or call (440) 328-8141 to talk to hospice directly for more information.

### Administrator's Corner

We were fortunate to have had a very mild October, but the seasons are changing and the cold weather is upon us. It also indicates that the days are ending early and this is a reminder to mark your calendar since Daylight Saving Time ends November 5<sup>th</sup>. As a safety reminder for all of us, this is a time to check your smoke detectors and change the batteries.

We are celebrating Veterans day November 11<sup>th</sup> and all Veterans will be recognized by the American Legion at 2 p.m. followed by a salute to the troops musical performance at 2:30 p.m.

We are hosting our annual Thanksgiving dinner on November 21<sup>st</sup> at 5:30 p.m. The menu includes: a traditional meal of turkey, mashed potato, stuffing, corn, rolls and pumpkin pie for dessert. Each resident can invite up to three guests and we ask that you place your reservations with the receptionist by November 16<sup>th</sup>.

November is a wonderful month to enjoy the changing seasons and to take a moment to truly appreciate the time with your family and friends.

I hope you enjoy the fall season!
