## NORTH OLMSTED

September 2017

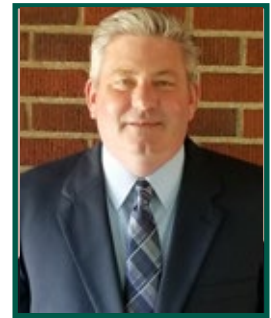

## Administrator's Corner...

What a great event the car show was! Thank you to all the residents and families for attending and to the staff at O'Neill Healthcare North Olmsted for lending a helping hand. We had 45 classic cars to see and raised \$318 for the Alzheimer's Association. The weather helped make for a perfect evening too. Speaking of weather, we are entering the beautiful month of September and the summer season is quickly winding down. The temperature tends to be mild, humidity is lower and it is a nice opportunity to enjoy the outdoors. Be sure to take advantage of the expansive porch and courtyards we have on the property. The abundance of trees we have will soon be changing colors as well.

On Monday, September 4th we pay tribute to the contributions workers have made to the strength, prosperity and well-being of our country. Take a moment to reflect on the true meaning of Labor Day and be sure to thank our residents for their past work and the staff for the current dedication and service they provide.

Mark your calendars for September 14, 2017 from 5pm-7pm as we are celebrating Oktoberfest slightly early this year. I hope you are able to come enjoy beer, pretzels, dinner and dessert while listening to a strolling accordion player. Don't forget to capture your memories in our photo booth and challenge your skills at our games. Football season officially begins September 7th and September 10th marks the home opener for the Cleveland Browns against the Pittsburgh Steelers. A win in game one would be the first step towards a perfect season. One can always dream...
