September 2017

From our Administrator

Jenna Elliott
Administrator

Hello friends and family!

The summer has come to a close, but it was a good one, full of beautiful weather and memories to last a lifetime! Now, as we enter the fall season, we are already planning our holiday events. Scary, right? To cap off the summer we are having music in the courtyard on Saturday, September 23rd featuring the Windjammer Band from 2pm to 3:30pm. Family and friends are welcome and we encourage you to bring a lawnchair. We will also be having a complimentary cookout. I hope to see you there!

September 10th-16th we will be celebrating National Assisted Living Week. We appreciate all of our wonderful residents in our Assisted Living. They each make our days a little brighter! We will also be recognizing the Assisted Living staff, those who work tirelessly to assure our residents are provided with the best possible care and quality of life. If you get a chance to visit the Assisted Living this week be sure to check out our display board recognizing all of our amazing residents and staff!

On Monday, September 25th several surveyors from the Ohio Department of Aging will be in the facility throughout the day interviewing the residents for our annual satisfaction survey. Be sure to welcome them.

Have a blessed and safe fall season!!

5 helpful tips from Activities

1. Be gracious and courteous during activities and please silence your cell phones.
2. Guests, please ask Nursing before you offer drinks and food to residents as they may have dietary restrictions.
3. Please be courteous and keep the noise level down in the hallway adjacent to activity areas while activities are underway.
4. Please make sure all new items for residents are clearly marked with their name. For example: clothing or personal property
5. If you reserve our Bistro, please leave it in the same state as you found it. It is certainly appreciated.

Most Valuable Employee September 2017

Abbie Vacca - LPN

Abbie Vacca is Employee of the Month for September. Her job title here is LPN and she generally works at West. How she defines success is making a difference in the lives of the residents that she serves. When asked what her personal philosophy is she stated, "The only person you should try to be better than is the person you were yesterday." She has been in the caregiving field for a long time. She was an aide for 7 years prior to becoming an LPN. When Abbie is not working, she likes to explore the Metroparks throughout Cleveland with her two dogs.

Her favorite part of working at O'Neill Healthcare is the residents whom she cares for and the relationships she has with her coworkers. Congratulations goes out to Abbie for all her hard work and dedication to the mission of O'Neill Healthcare as well as dedication to those she serves.

Rising Star of September

Rob Justin, Maintenance

Rob is a new employee at O'Neill Healthcare North Ridgeville. Congrats to him for a job well done! The Rising Star is an award given to a newer team member who displays excellent customer service and perfect attendance!

Resident of the Month

September 2017

James Barnes

This month's resident of the month is James Barnes. Jim, as he likes to be called, was born on September 26th. He grew up in North Ridgeville. Jim has two brothers, sisters, and he is the youngest of them all. He loves to tell the story of how he met his wife, Thelma, at their class reunion. It was love at first sight and they were married at Holy Trinity Church in Avon.

Jim is a man of many talents working as a truck driver and also working at the North Ridgeville Fire Department. Congratulations goes out to Jim for being selected as the Resident of the Month for September 2017.

Our residents enjoy bird watching

The Activity Department is looking for donations of Bird Seed to help feed the neighboring birds at O'Neill Healthcare North Ridgeville.

A SPECIAL NOTE FROM

O'Neill Healthcare

HOSPICE

We celebrate Labor Day this month and say "Good Job" to all of the people who work hard every day to make our country great. A benefit of working so hard is that through Medicare and other insurances hospice care is covered 100%. That means an additional nurse, social worker, STNA, and chaplain can visit to provide additional support with no cost to your loved one if they meet criteria. A wonderful benefit for people who have worked so hard over the years. Call (440) 328-8141 for more information.
