

On November 11th we recognize and celebrate Veteran's Day. We appreciate the service and commitment given to our country by our veterans. O'Neill Healthcare is honored to be selected to possess a VA Contract at O'Neill Healthcare Lakewood and Bay Village. Also, the Aid and Attendance benefit is a special pension for qualified veterans/surviving spouses. These funds can be used towards the costs associated with assisted living or long term care. For more information, please see the facility admissions/marketing coordinator.

Employee of the Month - Alyssa Prospal, Dietary

Alyssa was born in Germany and, when she was young, her passion was to become a veterinarian. When asked where she sees herself in 5 years is to be a traveling Ultrasound Technician, traveling to less developed countries and providing diagnosis through the Ultrasound process.

Our Employee of the Month for November is Alyssa Prospal. She is a Dietary Aide and one of her proudest moments has been receiving this honor. She has gained many new friends working at O'Neill Healthcare North Ridgeville and has developed a work ethic that she respects from which she plans to never stray.

Resident of the Month Helen Songer - November

Our resident of the month for November is Helen Songer who lives in our assisted living. Helen grew up in Elyria, Ohio with two brothers. She has always had a caregiving personality. Her first job was a babysitter for 4 hours a day. She later went on to work at General Industries. Helen married her husband, Vernon, whom she met through a friend, in 1944 and continued her roots in Elyria where she raised her family. She and Vernon were blessed with 2 boys and 3 girls. Their children went on to bless her with 10 grandchildren who have blessed her with 15 great-grandchildren. Helen is a joy to be around for both her family and the other residents, as she enjoys attending many of the facility activities. Congratulations Helen, we love you!

We're proud to have you ON OUR TEAM HAPPY ANNIVERSARY

NOVEMBER
HOSPICE & PALLIATIVE CARE MONTH

A SPECIAL NOTE FROM

O'Neill Healthcare
HOSPICE

This month is National Hospice and Palliative Care Month! Hospice is a program that brings increased quality of life and comfort care to people who are closer to the end of their life. Hospice focuses on the goal of the patient and family. Hospice not only has a team of people that visit to provide care, but also helps with equipment and medication costs! Please go to your social worker or call (440) 328-8141 to talk to hospice directly for more information.

You are invited to join us for one of our grief workshops
Monday, November 27, 2017 | 6:30 p.m. or

Administrator's Corner

Hello Friends and Family!

November is a month to give THANKS! I would like to take this time to thank all of our wonderful residents here at O'Neill Healthcare. Without you, our facility wouldn't be complete. Each and every one of you add something special to our facility. I would also like to thank the amazing families and friends of our residents. You are so very dedicated and it is heartwarming to see the time and love you give to our residents. Lastly, a big thank you to the staff; the people who work tirelessly to make sure that our residents have the best quality of life. I am so very blessed to have such a wonderful team of residents, families, friends and staff here!
